

# ShopRite Veterans Charity Golf Outing

TransTech is proud to participate and support the ShopRite Veterans Charity Golf Outing and Casino Night.

On Tuesday, September 9, 2014, ShopRite held their annual Veterans Charity Golf Outing, Casino Night & Texas Hold'em Tournament at the fabulous Crystal Springs Resort in Vernon, NJ. All proceeds will benefit the Tower of Hope ([www.thetowerofhope.org](http://www.thetowerofhope.org)).

The Tower of Hope was founded in memory of Thomas E. Sinton III, 41, who was murdered in the terrorist attacks of September 11, 2001 while working for Cantor Fitzgerald. Tower of Hope raises funds to provide wounded veterans with service dogs.
